

# Lansdowne Friends School 2018-2019 Volunteer Form

Volunteer time and talent add vitality and strength to Lansdowne Friends School and offer parents and guardians opportunities to be involved in the educational experience of their child(ren). LFS events provide time to connect with others and learn more about the school culture. Listed below are some of the areas in which you may want to help throughout the year. Please let us know of your special interests by returning the completed form to the school.

The LFS School Community Association (SCA) also plans and organizes activities throughout the year. You will be hearing more about how to get involved with the SCA in the near future.
