

REGARDING BUS TRANSPORTATION:

If your child is at least 5 years of age* AND You want them to use bus service:

**The Philadelphia School District will not provide bus service for Kindergarten students, regardless of age*

NEW FAMILIES:

- ☞ Children are bused to Lansdowne Friends School by the school district in which they live.
- ☞ The Main Office, is responsible for contacting the districts to make additions and changes in bus service.
- ☞ To guarantee service at the beginning of the school year, the information requested below, must be in the main office **as soon as possible**. School districts start asking for information in the late spring and early summer.

RETURNING FAMILIES:

- ☞ If your child was enrolled for bus transportation last year, the district will automatically keep them on the list for this year. You do nothing.
- ☞ If your child has not been on the list and you would like to add them, fill in the request below (This would apply particularly to children who have turned 5 years of age since last September.)
- ☞ If you do not receive information as to your child's assignment, by @ 1 week before the start of school, contact Tr Linda: lkena@lansdownefriendsschool.org
- ☞ **Changes made near or after the beginning of school will involve delays in service.**
