Mission Statement

The mission of the Lansdowne Friends School School Community Association (SCA) is to support the students, teachers, administration, parents and caregivers of the school by developing and implementing activities that build community and enrich the learning environment. Included in these activities are fundraising in conjunction with the school's Development Office, educational and community-building events and outreach to new LFS families.

Every member of the LFS community has the opportunity to be involved with the School Community Association:
attend an SCA Monthly meeting,
donate to the winter coat or basic needs drive, volunteer for a community event or enjoy the annual May Fair.

For any parent, new or returning, attending monthly meetings or volunteering at events is a great way to get to know a cross-section of the community, including parents in classes other than the one your child is in. The School Community Association sponsored events are very successful at fostering connections among families.
