

Lansdowne Friends School

The Admissions/Development Office is compiling the 2021-2022 Lansdowne Friends School Handbook and Student Directory. The Directory will contain the names, addresses, phone numbers and e-mail addresses of all LFS families, class lists, faculty/staff list, and information regarding school programs, procedures, policies, and traditions.

Below you will find your name and address as it has been entered in our database. This information will be printed in the Directory. Our goal is to get correct information out to LFS families by Back-to-School Night in September.

Please –

- check your listing for accuracy
- make sure we are listing the names, phone number/s and email addresses that you want published
- make the necessary additions, changes or corrections
- initial the form and return it to school.

- Thank you!

Thank you.

Communication at LFS

Throughout the year we will be communicating with you regarding school events, school news, School Community Association activities, and more via email and Weekly Notes. Weekly Notes contain information about classroom goings on, school events, photos, School Community Association plans and more.

Please contact the school if you do not receive Weekly Notes emails. Please keep your email and other contact information current.
